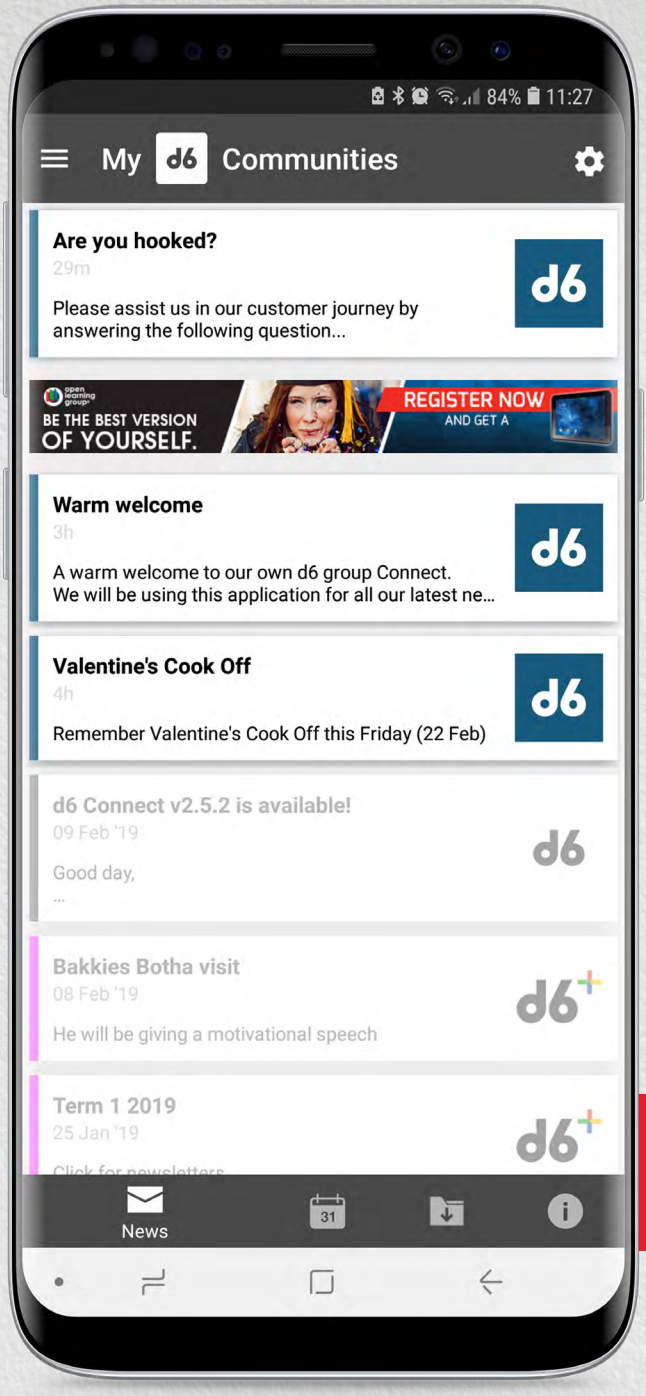
d6 connect



Manual Registration & Token Use

In order to connect to your community on d6 Connect, please follow these steps:

Download the **d6 Connect Mobile** app on your mobile device:

Get it on Google play

Available on the App Store

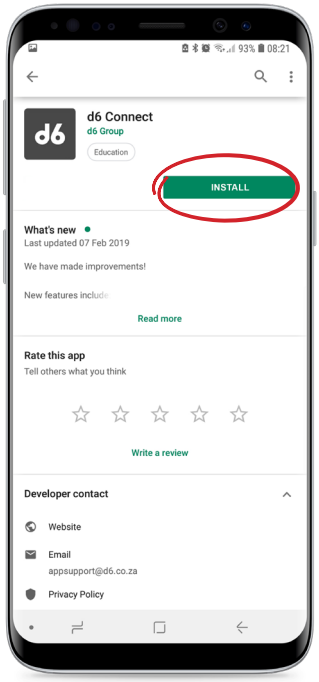
Or access the **d6 Connect Web Portal:** connect.d6.co.za

d6 Connect Web Portal

Note: If you already have a d6 Connect account, log in and skip ahead to Step 5!

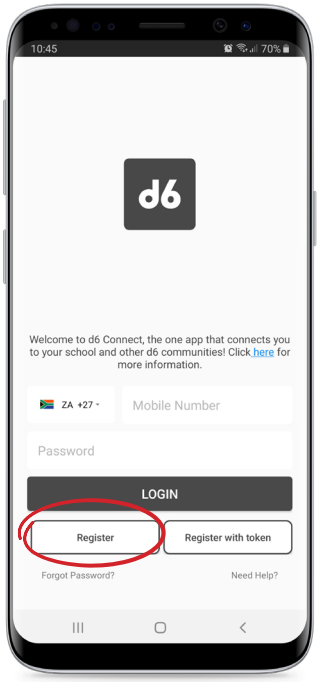
appsupport@d6.co.za | 087 820 0088

Step 1



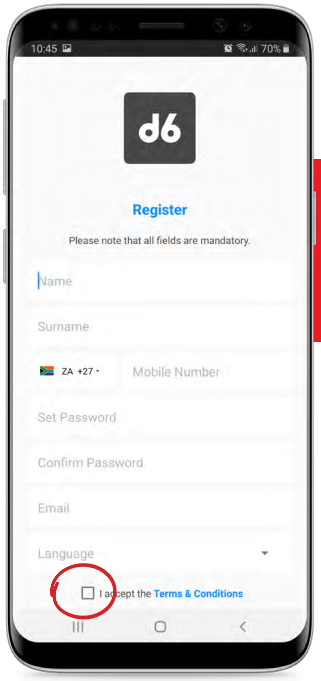
Install the application on your device

Step 2



Click on "Register" on the home screen

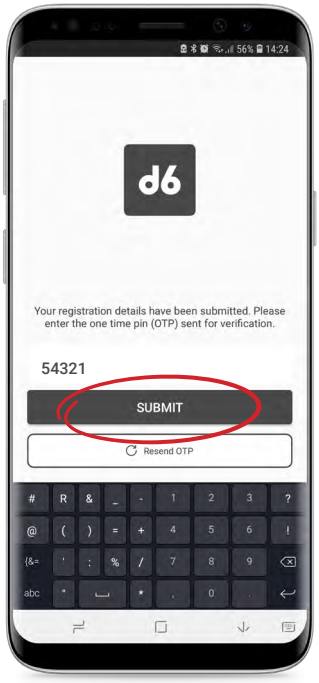
Step 3



Complete the required fields, select "agree" to the T's & C's and click "Register" to continue

Note: The email address you enter here must match the address this invitation was sent to.

Step 4



Keeping the app open -

Enter the One Time Pin (OTP) that was sent to your phone via SMS.

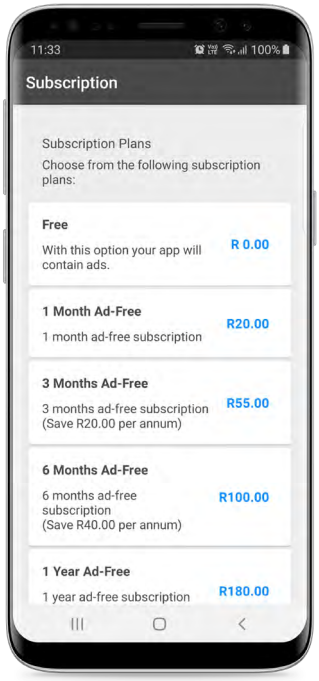
Click "Submit"

Congratulations!

You have now successfully registered your d6 Connect account!

There is still more to do though - Let's move on to step 5!

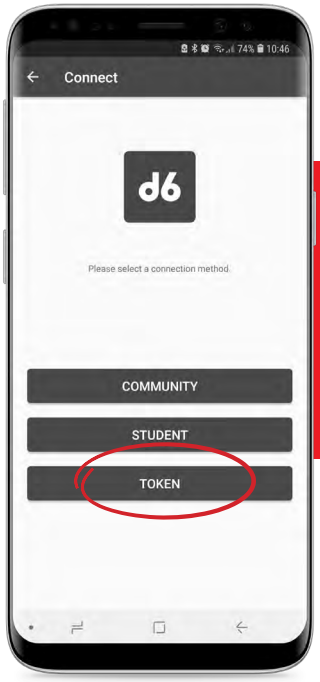
Step 5



Once you are logged in, select your subscription option.

All options will provide the same functionality, the only difference is that the paid for options will remove all adverts from your app.

Step 6

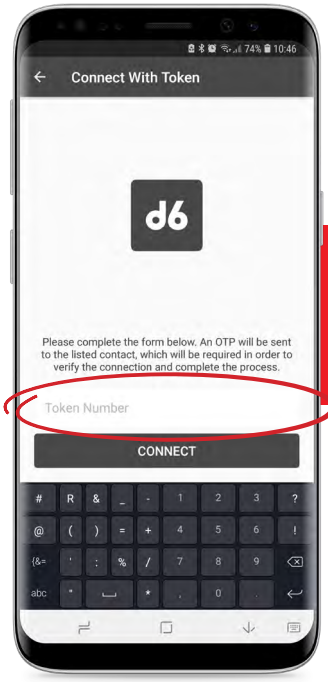


You will see 3 connection methods

Click on "TOKEN"

Note: If you don't see the 3 connection methods, click on the hamburger menu (3 lines) in the top left corner, click on "CONNECT" at the bottom of the list, then click on "TOKEN".

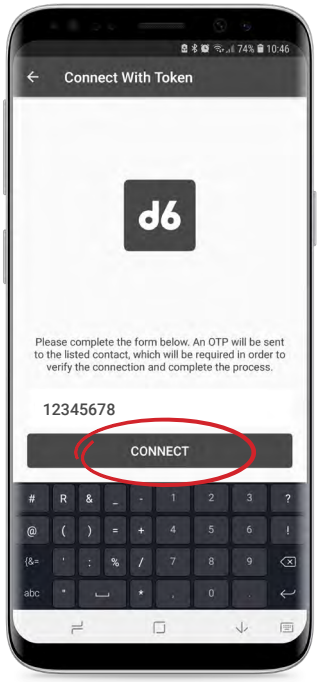
Step 7



Click on the link in the invitation email you received to get your token number, and enter this token number into the "Token number" field

Note: This token expires in 72 hours. If yours expires, click the link again to get a new one.

Step 8



Click on "CONNECT"

Congratulations!

You should now be successfully connected to your community!

To verify this, you can click on the hamburger menu (3 lines) in the top left corner to open the filter menu - here you will see all the communities you are connected to.
